## SUSPICIOUS POSITION AT STUDY

The child's attitude at study indicates whether he is putting forth unusual exertion or suffering from eye strain. The slightest indication of abnormal demands on the nerve centers should be observed by teachers and parents.

Nervous exhaustion and progress in study seldom go together in the same child.

Our special methods of analysis go to the bottom of eye strain difficulties and the consequent disturbance of the memory centers.

Deafness Cannot Be Cured

by local applications, as they cannot  
reach the diseased portion of the ear.  
There is only one way to cure deafness,  
and that is by constitutional remedies.  
Deafness is caused by an inflamed con-  
dition of the mucous lining of the Eusta-  
chian Tube. When this tube is inflamed  
you have a running, sound or imperfect  
hearing, and when it is entirely closed,  
deafness is the result, and unless the in-  
flammation can be taken out and this  
tube restored to its normal condition,  
hearing will be destroyed forever; also  
comes out of ten are caused by Catarrh,  
which is nothing but an inflamed condi-  
tion of the mucous surfaces.  
We will give One Hundred Dollars for any  
case of Deafness (caused by catarrh) that  
cannot be cured by Hall's Catarrh Cure.  
Sold by Druggists.  
E. J. CHENEY & CO., Toledo, Ohio.  
Take Hall's Catarrh Pills for constipation.

# The Patient and the Prescription

When your physician writes a prescription he  
has in mind the welfare of his patient. Definite  
results are to be accomplished by the drugs which  
he prescribes. The prescription which he writes  
and delivers to you becomes your property; and  
it is your privilege and duty to see that the phy-  
sician's efforts are supplemented by those of a  
druggist who will exercise every care in the com-  
pounding of the medicine.

Have your prescription filled at our store where  
pure ingredients and expert compounding will  
insure just the results anticipated by your phy-  
sician.

The superior prescription service which we pro-  
vide costs you nothing extra.

## Our Leadership in DIAMONDS?

Leadership in any line of endeavor  
is not attained by chance, but by fol-  
lowing a line of conduct with persist-  
ency of purpose.

Our leadership in diamonds has been  
acquired through the establishment  
of a lofty standard, and accepting no  
stone that has not reached its require-  
ments in the quality of essentials of  
color, cutting and brilliancy.

Every Flatau Diamond is chosen by  
our expert with the idea that it is to  
do its part in sustaining our leader-
